

Dear Mary Jo,

What a year.

While this school year has looked different than any other, it has also been brightened by **countless blessings at The Oaks Academy**. We are grateful for 970 students and 132 teachers. For The Oaks Online as a temporary, virtual campus. For 64 outdoor field trips and numerous Nature Walks. For our largest graduating class of 73 students that will soon join a network of 501 Oaks alumni.

And for you and the **unwavering support of our incredible community**.

With your help, Oaks students, faculty and staff persevered through a challenging year with grace, patience and joy. They will, without a doubt, reflect on 2020-2021 as a year of growth and resilience.

As we approach the final week of this school year, join us in recognizing their accomplishments by **making a gift in honor of a member of The Oaks community**.
