About

The State of Indiana empowers taxpayers to support private pre-k-12 education by allowing you to direct your state tax liability to scholarship granting organizations such as Sagamore Institute.

Through this program, you will receive a 50% tax credit to offset your Indiana state tax liability. You may also qualify for a federal tax benefit! If you itemize on your federal return be sure to include 50% of your SGO donation as a charitable deduction.

If you haven't taken advantage of this program before, it can sound intimidating, but we are here to help you every step of the way! We want to make the donation process simple and convenient for you. Many of our donors give year after year! Please contact us if you have any questions.

"The leverage provided by the tax credit has allowed us to easily double what we would otherwise give. As a business leader and member of our community, it feels great to have our government encourage generosity toward such a critical and strategic arena."
