SGO Scholarships

SGO scholarships are funded by private, charitable donations and awarded by a certified SGO (Scholarship Granting Organization) to Indiana students ages 4-21 at qualifying schools in grades Pre-K-12.

Both the SGO scholarship and Choice vouchers may be awarded in the same school year, as long as the combination does not exceed the school's tuition and fees. Choice does not award vouchers to Pre-K students while SGO does.

We work with schools to verify that students are eligible and ensure that scholarships are awarded in a manner that does not discriminate. The award amount is ultimately determined by the school, based on their financial aid policies.
