TWO WAYS TO GIVE AT ABC SCHOOL THIS YEAR

Did you know there are now two ways to support scholarships at [School Name] and both come with meaningful tax benefits.

1. **Indiana's State Tax Credit Program:** Give any amount to support students' tuition at our school and receive a 50% state tax credit.

2. **The New Federal Tax Credit (January 2027):** Give up to $1,700 annually to support educational costs at [School Name] for students in need and get every dollar back as a dollar-for-dollar federal credit.

DONATE TODAY

→ **How to maximize your giving:** Your first $1,700 through the federal program receives a 100% tax credit, and separate additional donations to the state program build on that impact. That means if you max out your $1,700 federal gift and donate another $1,000 through the state program, you can unlock $2,200 in combined tax credits while donating directly to students at our school.

→ **Did you know?** Couples filing jointly may qualify for up to $3,400 via two separate gifts.

YOUR GIFT MAKES A REAL DIFFERENCE FOR OUR STUDENTS

Kayla excels at math and science, but wasn't being properly challenged in the classroom. **When she was able to transfer to ABC School last year with support from our scholarship program, she was able to get the direction and encouragement she needed to ensure she was ready for what's next.**
